### D. PRO BONO HOURS

Supreme Court Rule 41, Canon 12 provides that interpreters should aspire to render a reasonable amount of pro bono public interpretive services per year. In fulfilling this responsibility, interpreters should:

- (a) provide a substantial portion of such services without fee or expectation of fee to persons of limited means; or
- (b) provide interpretive services at a substantially reduced fee to persons of limited means.

This Canon urges all interpreters to provide a reasonable number of hours of pro bono service annually. Under paragraph (a), service must be provided without fee or expectation of fee. The intent of the interpreter to render free services is essential for the work performed to fall within the meaning of paragraph (a); accordingly, services rendered cannot be considered pro bono if an anticipated fee is uncollected. Paragraph (b) permits the pro bono interpreter to accept a substantially reduced fee for services to persons of limited means; again, however, the intent of the interpreter to render reduced-fee services is essential for the work performed to fall within the meaning of paragraph (b); accordingly, services rendered cannot be considered pro bono if an anticipated fee is uncollected. Because this Canon states an aspiration rather than a mandatory ethical duty, it is not intended to be enforced through disciplinary process.

We ask that you please voluntarily note the number of hours you provided pro bono interpretive services since July 1, 2012, the enacting date of Canon 12:

\_\_\_\_\_ hours without fee or expectation of fee to persons of limited means;  
\_\_\_\_\_ hours at a substantially reduced fee to persons of limited means.

I, Ms./Mr. \_\_\_\_\_, swear or affirm that the information I have provided is accurate and complete.
